

MEMORANDUM OF UNDERSTANDING ON SCIENTIFIC COOPERATION

between

**the Interdisciplinary Centre for Bioinformatics of the University of
Leipzig (IZBI)**

and

**the Faculty of Biotechnology of the Kharkiv State Zoo-Veterinary
Academy (FBT)**

1. Background

This MEMORANDUM OF UNDERSTANDING (hereinafter referred to as 'MOU') is made between the Faculty of Biotechnology of the Kharkiv State Zoo-Veterinary Academy (FBT) and the Interdisciplinary Center for Bioinformatics of the University of Leipzig (IZBI) hereinafter referred to as "the Parties" considering the international collaboration as an essential feature of scientific progress and encourage exchange and co-operation between scientists from Germany and Ukraine. The Parties feel that it is useful and desirable the creation of a special focus on relations between researchers of FBT and IZBI.

2. Strategic aim and objectives

The strategic aim of this MOU is to consolidate the efforts and competences of the Parties focused on the solution of current and upcoming challenges in the field of bioinformatics of complex diseases. IZBI and FBT agree to the following goals and objectives in order to achieve the defined strategic aim:

1. exchange of scientific, academic, and technical information and appropriate academic materials and other information of mutual interest;
2. academic exchanges, including mutual visits of faculty to pursue research, and student exchanges on a reciprocal basis;
3. identifying opportunities for exchanges and cooperation and joint research and development in scientific areas of mutual interest;
4. organisation and participation of joint academic and scientific activities such as seminars and conferences;
5. creation of joint research groups;
6. co-supervision of PhD students;
7. preparation of collaborative research grant applications; and
8. publishing of joint manuscripts.

3. ARRANGEMENTS AND FUNDING

To implement the collaborative activities envisaged under the MOU, representatives of the Parties will communicate periodically to coordinate their activities and prepare project and programmes of cooperation. Prior to final agreement and the implementation of any projects or academic programmes arising from this MOU both parties must obtain the agreement in writing of their respective finance departments.

The financial arrangements, rights to intellectual property and arrangements regarding publication of articles arising out of each project agreement and programme of cooperation will be in accordance with formal agreements to be entered into in respect of each project agreement and programme of cooperation.

The Parties acknowledge that in the absence of any specific agreement to the contrary, all expenses of salary, travel, living and allied costs will be determined at the discretion of and be the responsibility of the visitor's home organization.

4. MANAGEMENT

The Parties will appoint representatives to manage and oversee the joint management activities. The representatives of the IZBI and FBT may meet as and when necessary to review progress in the implementation of the agreed arrangements, define new areas for agreement and programmes of cooperation as well as discussing matters related to the MOU.

5. ADHERENCE TO LAWS

Staff and students of IZBI and FBT involved in any activities under this MOU shall adhere to the laws of the host country and the applicable rules, regulations and procedures of the host organization.

6. AMENDMENTS

This MOU may only be amended by mutual agreement evidenced in writing by a duly authorised representative from each of the Parties.

7. TERM OF AGREEMENT

This MOU shall commence on the date of its execution by the last to sign of the IZBI and FBT and shall remain in force for a period of five years and may be renewed upon its expiry and with the agreement of both parties. If the MOU remains dormant for three consecutive years it will be deemed to have lapsed.

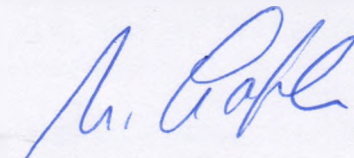

Either IZBI or FBT may cancel the MOU by giving three months notice in writing to the other. The termination of this MOU shall not affect the implementation of the projects or programmes established under it prior to such termination.

8. LEGAL STATUS

Nothing in this MOU shall be construed as creating any legal relationship between the parties. This MOU is a statement of intent to foster genuine and mutually beneficial co-operation.
